"Summer, Kind of Wonderful"

Writing by Dorian Jordan - www.dorianjordan.co.uk

IT'S THAT TIME OF YEAR WHERE WE MUSTER UP SOMETHING RESEMBLING A SUMMER; WE FLOCK IN OUR MASSES, DISCIPLES SOAKING UP THE SUN'S RAYS AND FUELLING THAT SPRING IN OUR STEP, ULTIMATELY ABSORBING EVERY OUNCE OF POSITIVITY IN THE AIR. SO WITH CONFIDENCE BRIMMING, WE LOOK AT HOW THIS OPTIMISM CAN EFFECTIVELY BE HARNESSSED, AND HOW WE CAN MAKE THE MOST OF THE SEASON AHEAD. WHATEVER IT IS YOU'RE LOOKING TO GET OUT OF THE IMPENDING HEAT, IT'S THE PERFECT OPPORTUNITY TO CHANNEL THAT BRIGHT OUTLOOK INTO MAKING SOME WORTHWHILE CHANGES, BE IT SOCIAL, IMPROVEMENTS TO YOUR HEALTH OR PERHAPS EVEN A CHANGE IN CAREER. WITH THE SUNSHINE COMES A WHOLE NEW PERSPECTIVE ON THE WORLD AROUND US; AN IRREPRESSIBLE SENSE OF INVULNERABILITY, AS THOUGH ALL WE MUST DO IS REACH OUT AND SEIZE ANYTHING WE COULD WISH FOR. THE SHADES GO ON, AS PARKS FILL WITH ICE COLD REFRESHMENTS AND THE SOUND OF LAUGHTER; ONCE MORE ITS IMPOSSIBLE NOT TO ADOPT THAT COLLECTIVE SENSE THAT THE APPROACHING SUMMER COULD WELL BE THE ONE THAT LASTS FOREVER. A MOMENTARY GLIMPSE TO THE SKY AND WE FIND THAT ACCOMPANYING GLINT IN OUR EYE, AS MINDS CAN'T HELP BUT EXPAND A LITTLE FURTHER AFIELD. WE CAST OUR THOUGHTS TOWARDS THOSE APPROACHING HOLIDAYS, AND THE CHANCE TO TRAVEL TO EVEN WARMER LOCATIONS. WE'RE VOLUNTARILY LOST IN THE EXCITEMENT, THE UNKNOWN, AND ALMOST OBSESS OVER ADVENTURES WORTH SEIZING, HORIZONS WE'RE DESPERATE TO EXPAND. DREAMINGLESS HAS ITS FIRST ANNIVERSARY ON THE WAY, AND WE'RE LOOKING TO CELEBRATE ON ONE OF EUROPE'S SCORCHING SHORELINES. FOR THOSE LUCKY ENOUGH TO DISCOVER PASTURE NEW THIS SUMMER, WE BID YOU GODSPEED!

BE IT FESTIVALS, BEACHES OR BARBECUES, THERE'S NO BETTER TIME OF YEAR TO GET OUT AND SOCIALISE, FACE-TO-FACE LIKE THE GOOD OLD DAYS! WHETHER OUT TO MEET NEW FRIENDS OR FIND THAT SOMEONE SPECIAL, THE DAYS ARE LONG AND YOU'LL NEVER BE SHORT OF AN EXCUSE TO ENJOY THOSE WARM, CREPUSCULAR EVENINGS. I HIT THE JACKPOT LAST YEAR, WITH MEALS BY THE RIVER AND WALKS THROUGH THE CITY INTO THE EARLY HOURS. NOW, I CERTAINLY WOULDN'T BE WILLING TO DIVULGE GREAT DETAIL, BUT IF I WERE TO OFFER UP ANY LINGERING SLICES OF ADVICE, ANALOGIES CAN CERTAINLY BE DRAWN WITH THAT OF A JOB INTERVIEW; BE YOURSELF, DON'T LIE ON YOUR CV, MAKE IT CLEAR YOU'RE EAGER, AND WHILST YOU DON'T HAVE TO BE THE FINISHED ARTICLE, A DEMONSTRATED DESIRE TO LEARN ARE CERTAINLY HUGE STEPS ON THE PATH TO SUCCESS!

NOW IS THE PERFECT TIME TO EMBRACE THE NEW LEAST OF LIFE THAT FLOWS OVER EACH AND EVERY ONE OF US, AS WE STRIVE TO UTILISE THE LONG DAYS ON OFFER. NOW FOR SOME, THE CALL OF THE PUB GARDEN IS ALL TOO TEMPTING, BUT I'M A STRONG ADVOCATE OF PUTTING ONE'S TIME TO FAR BETTER USE. EACH TO THEIR OWN, OF COURSE, BUT WHY WASTE AWAY THE BEST THE BRITISH OUTDOORS HAS TO OFFER SIMPLY SINKING ONE SICKLY CIDER AFTER ANOTHER; INSTEAD GET OUT AND APPRECIATE THE PLENITUDE OF GREENERY THAT'S ON OFFER. ITS A GREAT TIME TO ABANDON THE GYM, TAKE TO THE GRASS AND REALLY FEEL THE WIND BLOWING THROUGH YOUR HAIR DURING THAT WORKOUT. EVERY YEAR, THOUSANDS THROW ON THOSE RUNNING SHOES AND SWEAT LAPS AROUND THEIR LOCAL PARK, AND THIS TIME AROUND, DREAMINGLESS WILL BE JOINING THEM. A SPRINKLE OF DETERMINATION, A DOSE OF DEDICATION, ALL MIXED IN WITH A GENEROUS PORTION OF RECREATION, AND WE'RE LEFT WITH THE RECIPE FOR SUCCESS THIS SUMMER; WE'RE WELL ON THE WAY TO A HEALTHY BODY AND MIND.

*embrace the new
least of life that
flows over each and
every one of us*

ONE UNFORTUNATE SIDE EFFECT OF THE HEAT IS THE VOLUME OF MISGUIDED MEN, BOTH YOUNG AND OLD, WHO DEEM IT NECESSARY TO PARADE AROUND TOWN CENTRES SANS SOME FORM OF UPPER BODY ADORNMENT; ALL BURNT NECKS AND PASTY BELLIES, FAR FROM A TREAT FOR ALL TO BEHOLD. GENTLEMEN, BRITAIN JUST NEVER REACHES TEMPERATURES THAT JUSTIFY THAT LEVEL OF EXPOSURE, AND ITS PRETTY HARD TO FORGIVE. OF COURSE, UNLIKE THE PERMAGROOMED MALE CAST OF GOSSIP GIRL, WE CAN'T ALL HAVE OUR TEAM OF STYLISTS PERMANENTLY ON HAND, TAILORING

WAISTCOATS AND TRANSFORMING US INTO STYLE ICONS. WHILE THE REST OF US ARE BUSY LIVING OUR ACTUAL LIVES, ITS TAKEN HALF A DOZEN INDIVIDUALS TO ALLUDE TO THAT PARTICULAR EFFORTLESSLY COOL LIFESTYLE. WITH THAT IN MIND, A QUICK TRIP TO THE HIGHSTREET AND A LITTLE INITIATIVE WILL DO MOST OF THE HARD WORK FOR US. I'VE PICKED OUT A COUPLE OF VERY REASONABLY PRICED COTTON SUITS FROM NEXT THAT'LL LEAVE YOU FEELING FRESH AND LOOKING SHARP ALL SUMMER LONG, QUITE WHETHER YOU'RE IN 'CATALOGUE SHAPE' OR NOT.

GO FORTH AND ENJOY THE OUTDOORS THIS SUMMER; IT COMES BUT ONCE A YEAR, AND WILL BE OVER BEFORE WE KNOW IT.

So you want to look fresh, flawless, smart and sophisticated but without looking like you're wearing lots of makeup? It's simple...follow my steps on how I achieved this natural pretty simple makeup look.

BEAUTY WRITER
NIKKI TIPPING

NATURAL LOOK

CLEANSE & MOISTURISE

Always start by perfecting your skin. Without good skin preparation your makeup won't blend easily, sit right or last the day. Start by using a facial cleanser. I used Garnier Miracle cleansing water. Apply to a cotton pad and with small circle movements clean that skin. By applying the cleanser in circular movements you are stimulating the blood to the surface of the skin. Your cheeks may turn red, but this is healthy and will soon calm down. Next apply Simple moisturiser, I smoothed the moisturiser into the palms of my hands and with stroking movements smooth the products from the inner to the outer part of the face.

PRIMER

This is a must! The primer makes the makeup last longer throughout the day and closes all the pores and any problem areas to make the skin smooth. I used Clarins Beauty Flash, this product has a slight illuminating affect which is perfect to waken and brighten dull skin. It's very important to apply this product correctly as it contains a film former. Squeeze a pea size amount onto the back of your hand and apply small dots to areas of the face. With the palms and fingers smooth the product from the centre of the face outwards towards the ears.

FOUNDATION

Using the right foundation to match your skin tone and type is essential. Get professionally matched. I used Mehron UK Célèbre Pro foundation. This cream based foundation is perfect for all skin types and is one of my favourite products in my pro kit. I simply took a Mac duo fibre makeup brush and stippled the product all over the skin. Blending is the key to making the foundation look flawless. With your brush, work the foundation in circular movements. Then taking a flat kabuki brush, polish the top layer of the foundation again in circular movements for flawless results.

CONCEALER

Next conceal any flaws, I didn't need to use a concealer on Cats skin as the foundation is that incredible it conceals all flaws by its self. I did however want to add a touch of product to Cats under eye area. I used a YSL touché éclat highlighting concealer pen. When working with dark circles under the eyes you want to apply the product along the dark line only. Pat the Product into the skin with your finger. Next use powder if needed to set the foundation. In Cats case I didn't.

EYES & EYEBROWS

Next I filled in the eyebrows softly with a brown eyeshadow from Mehron UK. Powder eyeshadows are perfect for a natural soft eyebrow look. Now the eyebrows were shaped, I moved onto the eye area. I wanted to keep the eyes natural. I used Dior backstage eye reviving palette 001. What I love about this palette is that the shades are all light, natural and illuminating. They open the eyes in an instant. First I applied the primer in the palette to the whole eyelid, then taking the second shade I slightly contoured the eye socket to add some depth. Taking the darkest shade in the palette, I added the colour above the contour line I had already created and brought the colour down on to the outer part of the eye. The three shades created the perfect radiance of a flawless eyelid. Next apply mascara of your choice. I used YSL Shocking in black.

BLUSH

the cheeks I wanted to keep fresh. I didn't apply too much contour, just a small amount using Sleek Faceform palette in light. Next I opted for a cream blusher from Mehron UK in shade pink coral. I used the tips of my fingers to apply above the contour very lightly. I then used a highlighting cream, from illamasqua again very lightly I tapped on with my finger tips.

LIPS

I finished the look by applying Dior addict lip maximizer to boost the volume of lips instantly, next I applied Dior addict lip glow over the top to give a sheer glow.

ello readers of Dreamingless Magazine! My name is Shawn B and I run Preppster-dreamin.blogspot. I like to call **Preppsterdreamin** my baby because everything I'm feeling and thinking goes right into it. I got started back in 2011 and have been slowly but surely growing my brand. The blog is fun amalgamation of Ivy League cool with Indie influences. I draw most of my inspiration from books like "Take Ivy" & "GQ". Its menswear and that's what I'm catering to. The indie influences come from my musical taste. This blog was created off of bands like Vampire Weekend, Passion Pit, and Best Coast. I keep up those influences by featuring their current music and posts, and by featuring which menswear's lines I'm feeling at the moment.

The name Preppsterdreamin was kind of just a random thought. When I first made the site I was an extremely preppy kid, which is where the Preppster part came from. The Dreamin half just sounded good to me. As it caught on with friends and they would refer to me as Preppsterdreamin I knew I made the right decision. One thing I really to do on the blog is shoots. I'm fortunate enough to have some really good looking friends in my circle and they don't mind doing favors haha.

My favorite designers to feature are definitely "Band of Outsiders", "Billy Reid", and "Dsquared". I love their aesthetic and the style is very on brand for Preppsterdreamin. Most photos on the blog are shot by me but the photos I'm sending in for this feature are from my goodjudyVicki. You can check all her stuff out on her website vmigliaccioimaging.wordpress.com. That's Preppsterdreamin so come and join the wave and check me out. You can find me on Instagram @ Preppsterdeamin, on Twitter at Preppsterdreamn, and of course Preppsterdreamin.blogspot.com.

GG LIFE LESSONS

WHAT GOSSIP GIRL TAUGHT US ABOUT LIFE

1. Know who you are and own that shit.
2. Being in love is an emotional roller coaster.
3. No matter how shitty you think your life is, there's always something in it worth smiling about.
4. You can't let anything get in the way of going after what you want.
5. You have to make things happen for yourself.
6. You have to demand respect from others.
7. Shopping can in fact lift your spirits, if only temporarily.
8. You shouldn't look down on someone just because you're not cool with what they do for a living.
9. Everyone makes mistakes.
10. Keep your standards high when it comes to relationships, even if others think these standards make you shallow.
11. Don't let anyone steal or disrupt your happiness.
12. Don't ever settle for a guy for ANY reason, no matter how fine he is or how much money he has.
13. Be fearless in saying how you truly feel, whether that's in love, in your work, or in a friendship.
15. It's OK to not be OK.
